**Re: United States v. Miguel Ansures Almazan  
21 Cr. 722 (CM)**

Dear Judge McMahon:

We write with the consent of the government to respectfully request a one-month adjournment of the April 28, 2022 sentencing (and associated filing deadlines) in the above-captioned matter. This is the defense's first request for an adjournment.

The undersigned has been participating in an ongoing trial before the Honorable Lewis J. Liman for the past month. In addition, communication with Mr. Almazan has been complicated by the need for counsel to translate relevant documents for his review (for example, the draft Presentence Investigation Report). A one-month adjournment of sentencing in this matter would permit the defense to finalize its sentencing submission and enable Mr. Almazan to more fully assist his counsel.

We thank the Court for its consideration of this request.

Respectfully submitted,

/s/
